Independent Auditor's Report to **Dutch Committee for Afghanistan (DCA)**  info@rsmafghanistan.af www.rsmafghanistan.af www.rsm.global

#### Opinion

We have audited the financial statements of Dutch Committee for Afghanistan (here-in-after referred to as ("the Organization"), which comprise the statement of financial position as at December 31, 2020, statement of income and expenditure, statement of changes in funds and statement of cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements of the organization for the period from 1 January 2020 to 31 December 2020 are prepared fairly in all material aspects, in accordance with the basis of accounting as described in Note 2 to the financial statements.

# **Basis for Opinion**

We conducted our audit in accordance with the International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# Responsibilities of Management and Those Charged with Governance for the Financial Statements

The management is responsible for the preparation and fair presentation of the financial statements in accordance with the basis of accounting as described in Note 2 to the financial statements and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

# Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of
  expressing an opinion on the effectiveness of the Commission's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The annexed notes, from 1 to 23, form an integral part of these financial statements.

HEAD OF FINANCE

**EXECUTIVE DIRECTOR** 

# 1 LEGAL STATUS AND NATURE OF OPERATION

Dutch Committee for Afghanistan ("the Organization") is a not for profit and non-governmental organization (NGO) registered with Ministry of Economy of Afghanistan in 2005 with registration # 119 and registered address District # 3, Road # 5 of Sylo, House # 152 opposite Karwan university Kabul, Afghanistan. The principal activity of the Organization is to provide veterinary services in the rural areas of Afghanistan, with the assistance of funds received from various donors. The Organization is operating veterinary training centers in Parwan, Mazar-e-Sharif, Herat and a number of Veterinary Field Units (VFU) across Afghanistan.

#### 2 BASIS OF PREPARATION

#### 2.1 Statement of compliance

The financial statements of the Organization have been prepared in accordance with International Financial Reporting Standards (IFRS) for small and medium-sized entities as issued by the International Accounting Standards Board (IASB).

#### 2.2 Basis of measurement

The financial statements have been prepared under the historical cost convention unless stated otherwise.

#### 2.3 Functional and presentation currency

The financial statements are presented in US Dollar ("US \$") which is the Organization's functional and presentation currency.

# 3 SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of the financial statements requires management to exercise judgment and to make estimates and assumptions that affect the application of policies, reported amounts of income, expenses, assets and liabilities and disclosures. These estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognized in the period in which estimates are revised if the revision affects only that year, or in the year of the revision and any future year affected.

Judgements made by the management in the application of IFRS for SMEs that have significant effect on the financial statements and significant estimates are mentioned in the ensuing paragraphs.

#### a) Useful life and residual value of property and equipment (note 5)

The Organization reviews the useful lives and residual values of fixed assets on regular basis. Any change in estimates may affect the carrying amounts of the respective items of property and equipment, with a corresponding effect on the related depreciation.

#### b) Provision for doubtful receivables

A provision against overdue receivable balances is recognized after considering the pattern of receipts from, and the future financial outlook of, the concerned receivable party. It is reviewed by the management on regular basis.

#### c) Provisions and contingent liabilities (note 13)

The management exercises judgment in measuring and recognizing provisions and disclosure of contingent liabilities related to pending litigations or other outstanding claims. Judgment is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement. Because of the inherent uncertainty in this evaluation process, actual losses may be different from the originally estimated provision.

#### 4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### 4.1 Property and equipment

Property and equipment is stated at cost less accumulated depreciation and any accumulated Impairment losses. Cost compromise of purchase price (including legal/brokerage fee, import duties and non-refundable taxes) is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is calculated, to write off the cost of items of property and equipment less their estimated residual values over their useful life on a systematic basis using the straight line method. The estimated useful life of all type of assets for the purpose of the depreciation is five years.

Depreciation method, useful life and residual values are revised and changed at each reporting date to reflect the pattern of usage of assets as appropriate.

Depreciation is recognized in statement of income and expenditure. Depreciation is charged for the full in the year of purchase and none in the year of disposal.

#### 4.2 Investment in Joint Venture

Investment in Joint Venture is accounted for using equity method of accounting i.e. investments to be carried in the statement of financial position at cost plus post-acquisition changes in the shares of net assets of the Joint Venture, less any impairment in value, if material. The statement of income and expenditure reflects the Organization's share of the results of operation of the Joint Venture after the date of acquisition. Share of profit is accounted for using the audited financial statements of the Joint Venture.

#### 4.3 Cash and cash equivalents

For the purpose of the statement of cash flows, cash and cash equivalents include cash in hand, balances at banks and short-term highly liquid investment that are readily convertible to known amounts of cash and that are subject to an inside risk of change in them.

#### 4.4 Deferred grant and grant income

Grant is recognized at fair value only when it has been received or entitled to receive and the attached conditions are met.

Grants relating to the operating fixed assets are included in liabilities as deferred grants and are credited to the statement of income and expenditure on a straight-line basis over the expected life of the related assets.

Other grants are recognized as income over the period necessary to match these grants with the related cost that they are intended to compensate.

#### 4.5 Severance payable

The Organization operates a defined contribution plan for its permanent local employees. Under this plan, an amount equal to 4.3% of each month's basic salary is recognized as payable to employees. This is paid to respective employees at the time of retirement employment contract or on cessation of Organization's operations.

Qualifying period for the plan is one year of the completion of service. An employee is entitled to receive this short term benefit after completing the qualifying period.

#### 4.6 Financial assets

All of the Organization's financial assets. compromise of cash and bank balances, and accounts and grant receivable, meet the definition of basic, are recognized when the Organization becomes a party to the contractual provisions of the instruments and are derecognized when the Organization loses control of the contractual right that comprises the financial assets. Management determines the classification of its financial assets at initial recognition. These include cash and bank balances, grant receivables and account receivables. Receivables are carried at original invoice amount less an allowance for any uncollectible amounts. An estimate is made for doubtful receivables based on a review of all outstanding amounts at the year end.

#### 4.7 Financial liabilities

Financial liabilities are recognized when the Organization becomes party to the contractual provision of the instruments and are derecognized when the obligation specified in the contract is discharged or cancelled or expired.

#### 4.8 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if, and only if, there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.

#### 4.9 Fair value of financial instruments

Carrying amounts of financial assets and financial liabilities approximate their fair value.

#### 4.10 Management fee

Management fee is recognized under the contracts with Donors which allows the Organization to charge administration fee as a fixed percentage of project expenditures.

#### 4.11 Training fee

Revenue from training fee is recognized

- (1) upon rendering of training and:
- (2) when it is probable that the future economic benefits will flow to the Organization and these benefits can be measured reliably.

#### 4.12 Expenditure

Expenditures are charged to grants according to budget heads approved under respective grant agreements and are recognized on accrual basis.

#### 4.13 Taxation

The Organization, being an NGO, is exempt from tax under Article 10 and 14 of Income Tax Law of Afghanistan. Therefore, no provision for income tax has been made in these financial statements

# 4.14 Foreign currency translation

Transactions in foreign currencies are translated into US \$ at the exchange rate prevailing at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate prevailing at the reporting date. All foreign exchange gains and losses are recognized in the statement of income and expenditure.
